## Memorandum

Date:	1/15/02
Deliver To:	<b>Hal Hurlen</b>
Company:	

From:	Scott McKellar <i>Scott</i>
Company:	HURLEN CONSTRUCTION COMPANY
Subject:	<b>Poplar Trees "Haircut"</b>

Message:

We intend to reduce the height of the poplar trees outside the office down to roofline level on/about 1/28/02. The trees have overgrown to the extent that they are extremely messy and unsightly. If you have any reason for us not to give them a "haircut" (our cost), please give me a call.

Thanks,  
Scott

*P.S. — after this note written, we  
have scheduled for 1/30/02 unless  
you have other thoughts.  
Scott*
